

✓ SCREENSHOTS OF DIFFERENT FUNCTIONALITIES

✓ Password too short

The screenshot shows a web browser window with the title 'Real-time Password Strength Checker'. The page content includes a title 'Real-time Password Validator', three input fields for 'Name', 'DOB (DD-MM-YYYY)', and 'Password', and a blue button labeled 'Final Password Check'. The 'Name' field contains 'Srishti', and the 'DOB' field contains '20-03-2004'. The 'Password' field contains three asterisks. Below the password field, a red error message reads 'X Too short (min 6 chars)'. The browser's bottom status bar shows tabs for 'PROBLEMS', 'OUTPUT', 'DEBUG CONSOLE', 'TERMINAL', and 'PORTS'.
